MCADD Press Conference

KALAMAZOO- Senator Tom George will conduct a press conference Monday, March 17, 2003 at 10:30 a.m. in the garden atrium at Bronson Methodist Hospital to announce the start of mandatory screening of Medium-chain Acyl Coenzyme A Dehydrogenase Deficiency (MCADD) for newborns.

In addition to the Senator, in attendance will be Julie Greichunos, grandmother of Madison, the infant whose untimely death spurred the changes to the law, and Dr. Robert Beck.

Media that plans to attend should contact Kaye Bennett at 269-341-8741.
